2021 Virtual Congress Events. . .con't

On June 25, 2021, many gathered for what was considered an overnight sensation! A new rendition wave of C.P. Jones hymns came shining through. Thank you to the producer, Minister Kevin Golden and your team for prep work and execution of the recording. We enjoyed it as it aired on July 25, 2021! Look for the actual recording soon!

“When We Go Back” was the topic of discussion for Tuesday evening, July 27. The evening included conversations as churches begin to re-enter their facilities. The thought is that some creative ideas and social media connections should continue even as we re-enter. You can still view this conversation on YouTube and Facebook archives.

On Friday, July 30, 2021 The YAM sponsored Worship Service was high-spirited and engaging! Our special guest artist was Michael Dixon and Company. They rendered selections like: Weeping May Come, For the Lord is God etc.

The Word was delivered by Elder Kevin Ware of Kingdom Restoration Fellowship COCHUSA in Dallas, Tx. He brought an awesome word for those in person and virtual viewers. “Where is Elisha” II Kings 2:1-15

On Saturday, July 31, we heard from the out-going president, Minister Daniel Kennebrew. He gave a great word and challenge. He gave testimony of the encouragement he received as a young child and during his 5-year journey as president and how God laid the path out so plainly for him.

YAM Activities

On Friday, July 30, 2021. The late-night RAP session was a safe space for youth and young adults to converse and be inspired by each other. It was also designed to develop and cultivate a stronger relationship with Christ.

On Saturday, July 31, 2021 hosted an exhilarating, fun-filled night at Top Golf! After a wonderful night of worship, young adults filled the bus to culminate the night enjoying food, fun and fellowship. Thank you, coordinator, Malika Wilson and your team for planning the events.
