

COCHUSA Learning Community

Focus:
Children & Youth Ministries

Week 5

- Give Ownership
- Discussion of previous weeks
- Closing of class

Checking In

Every week, we will learn about a different way to check in with teens and young children. This weeks check in is:

S.P.I.E.S.

S - Socially

P - Physically

I - Intellectually

E - Emotionally

S - Spiritually

Steer away from receiving one word answers. Ask questions to students to elaborate more on their feelings and what's going on in their lives.

Giving Ownership

When a student owns the vision the mindset shifts from what can I “get” to what can I “give.”

-Jeff Borton
